**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my local provider and want it to survive. I'm retired and can't afford a costly internet. The internet is now an essential form of information and communication and should be available to all through a variety of options.

I oppose the US Telecom petition.

Thank you for listening to people and not just to corporations.
